Key: D

## CHORDS

## STRUMMING

WHOLE SONG 70 bpm

[Verse 1]

D A/C#  
Track suits and red wine  
Bm D7/A  
Movies for two  
G D/F#  
We'll take off our phones  
E7 Asus2  
And we'll turn off our shoes  
D A/C#  
We'll play Nintendo  
Bm D7/A  
Though I always lose  
G D/F#  
Cause you'll watch the TV  
E7 Asus2  
While I'm watching you

[Chorus]

**D F#7**  
 There's not many people  
**Bm D9**  
 I'd honestly say  
**G D/F# E7sus4 E7**  
 I don't mind losing to  
**Em9**  
 But there's nothing  
**Gm9 C7**  
 Like doing nothing  
**D Em9 A7**  
 With you

[Verse 2]

**D A/C#**  
 Dumb conversations  
**Bm D7/A**  
 We lose track of time  
**G D/F#**  
 Have I told you lately  
**E7 Asus2**  
 I'm grateful you're mine  
**D A/C#**  
 We'll watch The Notebook  
**Bm D7/A**  
 For the seventeenth time  
**G D/F#**  
 I'll say "It's stupid"  
**E7 Asus2**  
 Then you'll catch me crying

[Chorus]

**D F#7**  
 We're not making out  
**Bm D9**  
 On a boat in the rain  
**G D/F# E7sus4 E7**  
 Or in a house I've painted blue  
**Em9**  
 But there's nothing  
**Gm9 C7**  
 Like doing nothing  
**D D6**  
 With you

[Bridge]

**C#m7b5 F#7 Bm**  
 So shut all the windows  
**Bmmaj7**  
 And lock all the doors  
**Bm7**  
 We're not looking for no one

**E7sus4 E7**  
We don't need nothing more  
**Bm**  
You'll bite my lip and  
**Bmmaj7**  
I'll want you more  
**Bm7**  
Until we end up  
**E7sus4 E7**  
In a heap on the floor  
**Gm9 C7 F#m9 B7 Em9**

[Verse 3]  
**A13b9 D A/C#**  
You could be dancing on tabletops  
**Bm D7/A**  
Wearing highheels  
**G D/F#**  
Drinking until the world  
**E7 Asus2**  
Spins like a wheel

[Chorus]  
**D F#7**  
But tonight your apartment  
**Bm D9**  
Had so much appeal  
**G D/F#**  
Who needs stars?  
**E7sus4 E7**  
We've got a roof  
**Em9**  
But there's nothing  
**Gm9 Csus2**  
Like doing nothing  
**Bm F#9**  
With you  
**F9 E9 Em9**  
No, there's nothing

[Outro]  
**A7**  
Like doing nothing  
**D**  
With you
